

Head Spa Certification

Are you interested in acquiring extensive knowledge about Head Spa treatments? Join Milbon's Regional Educator, Stephanie Whitcomb, as she guides you through the art of delivering a professional-level head spa experience using the luxurious Milbon Gold Enhancing Vivacity scalp care collection. This course will provide in-depth product knowledge into Milbon Signature Scalp and Milbon Gold Enhancing Vivacity Collections, learn to analyze common scalp concerns, learn a luxury scalp massage routine, and teach you how to offer a head spa service in your salon. Participants will have the opportunity to both give and receive a head spa treatment while being evaluated by Stephanie to ensure mastery and certification-level expertise.

Monday, April 14th
